

**2012 FACULTY POSITIONS ADVERTISED:** This C-Brief provides data about the communication faculty teaching positions advertised in NCA publications (CRTNET and the NCA's online/print (*Spectra*) job postings). The data available here are an addendum to the *2005-2010 Analysis of Faculty Teaching Positions Advertised*.

The data (in figure 1) indicate a growth in communication faculty positions advertised from 2009 to 2012 (from 351 to 661). Figure 2 shows the peak months for job advertisements to be August, September and October each year.
