

## 2018–2019 GEOGRAPHIC DISTRIBUTION OF ADVERTISEMENTS FOR ACADEMIC COMMUNICATION JOB OPENINGS

In the 2018–2019 academic year, 808 Communication job openings were advertised in NCA outlets, which include the NCA Career Center, the CRTNET listserv, and *Spectra* magazine. Of the 808 jobs advertised, 762 positions were located in the United States. The map below shows the geographic distribution of academic Communication job advertisements in the United States by state.

Number of Job Advertisements by State, 2018-2019

The figures below show the geographic distribution of the 762 U.S.-located academic Communication job advertisements by region. Each state is grouped within its regional Communication association; percentages represent the proportion of job listings within the region. The Eastern region posted the most advertisements (206), followed by the Southern region (205), Central region (191), and Western region (160).

Job Advertisements by Region, by Percentage, 2018–2019
